

Municipal Emergency Management Caucus

Purpose

The purpose of the IAEM-USA Municipal EM Caucus is to represent and advocate for municipal emergency management agencies and programs at the state, federal and international levels.

Caucus Leadership

Chair: Dave Donnelly

Vice-Chair: Shari Holbert Lipner

Secretary: Derek Smith

Board Liaison: Carolyn Harshman

Staff Liaison: Chelsea Steadman

Caucus Efforts

Main goals and objectives

- Provide enhanced networking opportunities by creating a national forum for municipal emergency managers to meet, discuss, and collaborate on issues that are unique to municipalities;
- Provide a mechanism to bring forward needs of these professionals to the IAEM USA Council
- Provide visibility on emerging issues and events that affect all IAEM members.

Meets: Last Tuesday of month, 11 AM

Conference Meeting: 11/15, 5 PM

Membership

Cities, towns, boroughs (except in Alaska), villages, and townships, any related special districts, and sub-units thereof.

Accomplishments and Photos

Caucus was formed
August of 2022.

Future Goals

- **Develop a baseline municipal emergency management program model**
- **Develop best practices library for members to utilize in program development**
- **Engage allied partners to further goals**
