

DMP580 - Disaster Recovery for Senior Officials

June 8th from 12:30pm-4:30pm ET

Presented by: TEEEX

Course Description: The Disaster Recovery for Senior Officials course provides an overview of disaster recovery and will provide senior leaders and executives with the information that will assist communities and businesses to prepare for and recover from disasters. The course will provide an overview of the key topics to understand recovery and be prepared for the next disaster.

The class will be delivered on a WebEx platform and TEEEX will provide the login information prior to the class.

Preregistration is required with IAEM. Students will also need to complete the process of registering for the class with TEEEX by COB June 3rd, please go to:
