

Student Advocate of the Year 2022

The Student Advocate of the Year Award recognizes an individual (IAEM member or non-member) or organization for outstanding assistance, promotions, or support of students in their activities in the field of emergency management and higher education.

Since this award combines elements of the former Student Ally of the Year and Student Chapter Advisor of the Year, this award may recognize an individual or organization who has made great strides in assisting students to further their education and career goals in emergency management.

Examples are individuals who ensured student involvement in emergency management programs or someone who guides students towards involvement in IAEM or their professional degrees or attainment of the CEM/AEM designation.
