

Membership Committee

Membership Committee is for the members by the members! We are the heart of the association. If you have an issue or an idea on how to make our association better this committee is for you. We have monthly meetings where we work on projects like, open houses, new member orientation, Swag creation, and membership issues.

**We
Want
YOU!**

Please attend our in person meeting on Tuesday 11/7 at 5pm to learn about our goals for next year and learn how to get involved.
