

CONFERENCE SPONSORSHIP

We are very excited about the promotional opportunities available for maximizing sponsor interaction at the International Association of Emergency Management Region VII (IA, KS, MO, NE) conference in Overland Park, Kansas on August 7-8, 2024.

A majority of emergency management programs are associated with public safety agency such as fire, law, as well as private industry. Your participation in this event will connect you with industry decision makers and give your company regional, and national exposure to these organizations along with State and Federal emergency management.

The 2024 conference starts off with our professional development opportunity with AEM/CEM testing and a networking social event on Wednesday, August 7, followed by a one-day conference on Thursday, August 8. These are both great opportunities to showcase your related products and services to all levels of EM professionals from directors, and program managers to volunteers.

I invite you to review the included Sponsor Packages. To register for a sponsorship, go to <https://www.iaem.org/Region7Conference2024> and select a preferred sponsorship package.

If you should have any questions, do not hesitate to contact the following:

Morgan Hunter – Conference/Membership Chair: morgan.hunter@jocogov.org

Claire Canaan –Vice President, IAEM-USA Region 7: iaem.r7vp@iaem.com

Thank you,
IAEM-USA Region 7 Conference Committee
