SPEAKER GUIDANCE

2024 IAEM-USA Region 6 Conference
Regional Readiness and Resilience

Speaker Guidance

The International Association of Emergency Managers (IAEM) – USA Region 6 is accepting presentation proposals for the 2024 Region 6 Conference to be held in Killeen, Texas on September 19-20, 2024.

The Theme of the 2024 Conference is to promote “Regional Readiness and Resilience”.

Presentations that are focused on current issues, lessons learned, best practices, emerging technologies, emerging threats, and participant interaction are strongly encouraged. Topics that will be given preference include crisis communication, emerging threats, infrastructure resilience, cybersecurity, major disasters/catastrophic incidents, and regional preparedness. Multiple submissions are welcome.

Non-Commercial Nature of Sessions

IAEM-USA Region 6 provides an opportunity for open dialogue and creative exchange of ideas among participants. Speakers may not endorse brand names or specific products in their presentation. Under no circumstances may this platform be used as a place for direct promotion of a speaker’s product or service. Any presenter who violates this policy jeopardizes his or her opportunity to present at future IAEM Region 6 conferences.

Financial Support

- Complimentary registration for one speaker per session. A discount code will be provided upon selection.

Since IAEM is a nonprofit organization, we ask that you please seek financial support from your individual organizations.

If you require financial assistance, check the box on the online submission form. The request for financial assistance does not impact the selection process.

Speaker Proposal Form

An online form is provided to streamline the submission process for speaker proposals. Please provide speaker information, submission information, additional speaker information, and request for financial assistance.
