Dear IAEM USA Region 3,

With this letter I wish to express my interest in becoming a nominee for the Washington, D.C. Representative for IAEM USA Region 3. As a private sector emergency response team volunteer with D.C. CERT & D.C. Department of Health Medical Reserve Corps.

Because of this experience, I believe that I may be qualified to serve in role of Washington, D.C. Representative. Work experience and knowledge of D.C. Department of General Services & D.C. Public Schools Office of the Chief Operating Officer.

Currently, I am an IAEM Student member and Washington, D.C. Real Estate Agent and I participate regularly in emergency management trainings and certifications.

Thank you for your time and consideration regarding this matter.

Sincerely,

William "Joe" Brown
