

Grayson Cockett

IAEM-Alberta Region Partnership & Engagement Director

Grayson Cockett is a Healthcare Disaster Manager, member of Canada Taskforce 2, and host of the 'Emergency Preparedness in Canada' (EPIC) Podcast. Grayson has a background in emergency response program development, event management, education delivery, and response activities with both the Canadian Armed Forces internationally, and Emergency Medical Services within Alberta. Grayson is passionate about building preparedness through distributed leadership, and by leveraging existing capacities and partnerships towards a common goal of a more prepared Canada.
