

**Lee A. Laverdure, MA-DEM, CRSP**  
**IAEM-Alberta Region President**

A Masters graduate of Royal Roads University School of Humanitarian Studies, Lee has more than 20 years of experience in the Oil and Gas Industry in Emergency Management and Health and Safety. Lee is enjoying her position as the Senior Emergency Management, Health & Safety Coordinator at Enerplus Corporation, holding the Canadian Registered Safety Profession (CRSP) designation. Lee is a life long learner in all things risk management and injury prevention. Lee spends her down time keeping bees and plotting world domination through gardening and practicing soil regeneration.
