

Save the Date Thursday, December 12, 2019

What do you do when two great organizations schedule their training Symposiums on the same day?

Well, you could have a major conflict and a disappointment or..... you could combine two great training symposiums into one really fantastic training symposium!!

And that's what the Region 1 IAEM training committee and the Boston Consortium for Higher Education are doing.

So Save the Dates of December 12th through December 14th for the Combined 2019 Training Symposium to be held at the University of Connecticut at Storrs, Connecticut.

Thursday, December 12th – Higher Education Symposium and Networking Day

Friday, December 13th - IAEM-USA Region 1 Conference: "Institutional & Government Emergency Managers Working Together to Build Community Resilience"

Saturday, December 14th - Certification Prep Course & Exam
