

Michael Weaver

Public Safety and Emergency Preparedness, IP Access International

Speaker Bio:

Michael Weaver currently serves as Senior Director for Public Safety and Emergency Preparedness for IP Access. With over 20 years of experience in satellite and wireless communications, he provides practical suggestions for communication systems used for mitigation, response, recovery or relief. Michael also serves as the Commercial Chapter Advisory Member for the Montana Association of Public Safety Communications Officials. When not attending exercises, training or public speaking, you can find him fishing on the beautiful rivers and streams in Montana where he calls home.

Presentation:

Never Break Heart

In 2010, Michael and his family were involved in a car accident that changed their lives forever and transformed his fundamental behavior from "just business" to deeply personal. Unfortunately, when we detach ourselves from trauma, it can create barriers in our brain that sabotage our ability to be open, have a heart, and serve with passion.
