

# IAEM-USA Energy Caucus

Purpose Statement – <a href="https://www.iaem.org/groups/energy">https://www.iaem.org/groups/energy</a>		Pertinent Information	
<p>The IAEM-USA Energy Caucus is committed to fostering collaboration among emergency management professionals within the energy sector, aligning our mission with the IAEM Strategic Plan to enhance our collective goals. We prioritize the empowerment of our members through extensive networking opportunities, the promotion of best practices, and the dissemination of vital knowledge, equipping them with the necessary skills and resources to effectively mitigate, prepare for, respond to, and recover from energy-related disruptions. Our focus on innovative leadership ensures a resilient and secure energy landscape while minimizing impacts on the whole community.</p>		<ul style="list-style-type: none"> <li>Established on 16 January 2024</li> <li>~75 current members</li> <li><b>General Meeting Schedule:</b> Meets virtually via Teams every first Wednesday of <b>odd</b> months</li> <li><b>2024 IAEM Annual Conference Meeting:</b> Wednesday, 20 Nov from 4 - 4:45 P.M.</li> </ul>
