

Children and Disaster Caucus

The IAEM-USA Children and Disaster Caucus exists to advocate for and facilitate the inclusion of ALL children in emergency planning and response

The CAD Caucus collaborates with subject matter experts and organizations across the country to share resources, provide education and make connections to improve disaster outcomes for one of our most vulnerable and precious populations: our children!

CAD Leadership:

Chair: Brigitte Glines

Board Liaison: Mike Prasad

Staff Liaison: Lexi Baird

Our caucus is a great fit for IAEM members who are dedicated to ensuring children's needs are prioritized in emergency planning, response, and recovery

CAD Meetings:

The first Monday of each month
0900 PT/1200 ET via Teams
New member always welcome!
