Wake-up Calls
Organized in 1995, the Task Force was a partnership of 29 national service organizations and federal agencies created to protect cultural heritage from natural disasters and other emergencies.

The **Federal Emergency Management Agency** (FEMA) co-sponsored the Task Force, and **Heritage Preservation** served as its secretariat.
Today, the Heritage Emergency National Task Force (HENTF) is a partnership of 42 national service organizations and federal agencies protecting cultural heritage from natural disasters and other emergencies.

HENTF is now co-sponsored by FEMA and the Smithsonian Institution.
Advisory Council on Historic Preservation • American Alliance of Museums • American Association for State and Local History • American Institute of Architects • American Institute for Conservation of Historic and Artistic Works • American Library Association • Association of African American Museums • Association of Art Museum Directors • Association for Preservation Technology International • Association of Regional Conservation Centers • Chief Officers of State Library Agencies • Council on Library and Information Resources • Council of State Archivists • Department of the Army • Department of the Interior • Federal Emergency Management Agency • Federal Library and Information Network • General Services Administration, Public Buildings Service • The Getty Conservation Institute • Institute of Museum and Library Services • International Association of Emergency Managers • Library of Congress • National Archives and Records Administration • National Association of Government Archives and Records Administrators • National Association of Tribal Historic Preservation Officers • National Conference of State Historic Preservation Officers • National Emergency Management Association • National Endowment for the Arts • National Endowment for the Humanities • National Historical Publications and Records Commission • National Park Service • National Science Foundation • National Trust for Historic Preservation • Regional Alliance for Preservation • Small Business Administration • Smithsonian Institution • Society of American Archivists • Society of Architectural Historians • Society for Historical Archaeology • Society for the Preservation of Natural History Collections • US/International Council on Monuments and Sites • World Monuments Fund
HENTF Objectives

- **Provide education and training** to cultural stewards, first responders, and emergency managers to better prepare them to work together to address emergencies and disasters affecting cultural institutions and historic sites.

- **Provide technical assistance, guidance, and/or resources** to cultural stewards, first responders, and emergency managers to address disaster-related impacts to cultural and historic resources.

- **Coordinate the collection and sharing of incident-specific information** with cultural stewards, first responders, and emergency managers in order to protect cultural and historic resources before, during, and after an event.

- **Increase the incorporation of cultural and historic resources** into disaster planning and hazard mitigation efforts at all levels of government.

- **Provide information and guidance to the public** to help individuals and families protect, stabilize, and recover treasured possessions before, during, and after an event.
Education and Training

- Provide education and training to cultural stewards, first responders, and emergency managers to better prepare them to work together to address emergencies and disasters affecting cultural institutions and historic sites.

HENTF activities in support of the NCR RSF

Working closely with National Coordinator of NCR RSF at DOI:

- Continue identification of affected cultural institutions and historic sites
- Facilitate identification of SMEs for cultural resources and historic properties
- Provide situational awareness to DOI Field Coordinator
  - Review drafts of Mission Scoping Assessment and Recovery Support Strategy
- Facilitate identification of possible funding sources to assist Tribes, States, or localities for eligible culture resource recovery projects or programs
- Direct Tribes, States, and localities to online hazard mitigation resources and tools
- Encourage local, regional, State, and Tribal governments and institutions to develop EM plans that integrate NCR issues
PFP ELIGIBLE NON-_CRITICAL, ESSENTIAL GOVERNMENTAL TYPE SERVICES

- Child care
- Day care for individuals with disabilities or access and functional needs (e.g., those with Alzheimer’s disease, autism, muscular dystrophy)
- Food assistance programs
- Health and safety services
- Human service shelters
- Libraries
- Low-income housing (as defined by Federal, State, Tribal, or local law or regulation)
- Museums
  - Constructed, maintained, or converted with a primary purpose of preserving and exhibiting a documented collection of artistic, historic, scientific, or other objects
  - Buildings, associated facilities, fixed facilities, and equipment primarily used for the preservation or exhibition of buildings, including:
    - Permanent infrastructure, such as walkways and driveways of outdoor museum-type exhibition areas
    - Historic buildings, such as houses and other on-site buildings intended for the preservation and exhibition of historical artifacts within a defined area
    - Permanent facilities and equipment that are part of archeological and botanical gardens
    - Infrastructure, such as utilities, and administrative facilities necessary for support
  - The grounds at museums and historic sites are not eligible.
  - Open natural areas/features or facilities that promote the preservation/exhibition of such areas are not eligible.
- Residential and other services for veterans
- Residential facilities for individuals with disabilities
- Senior centers
- Shelter workshops that create products using the skills of individuals with disabilities
- Soup kitchens
- Performing arts centers with a primary purpose of producing, facilitating, or presenting live performances, including:
  - Construction of production materials
  - Creation of artistic works or productions
  - Design
  - Professional training
  - Public education

Fact Sheet

After the Flood: Advice for Salvaging Damaged Family Treasures

When homes are flooded and not repaired, structural elements and household items may be damaged or destroyed by water or mold. To prevent further damage, the Department of Housing and Urban Development (HUD) provides the following tips to help households recover:

1. Keep all doors open to increase ventilation and prevent mold growth.
2. Dry out Carpet and fabrics. Remove carpet and washable fabrics to water.
3. Slow the growth of mold by removing wet items from your home as soon as possible.
4. Avoid using air conditioners, dehumidifiers, or other electrical appliances until they have been checked for safety.
5. Use clean water to clean your home. Avoid using hot water, which can cause mold growth.
6. Avoid using heavy equipment such as sandblasters to remove mold.
7. Avoid using cleaning products that are not specifically designed for mold.
8. Avoid using cleaning products that are not specifically designed for mold.
9. Avoid using cleaning products that are not specifically designed for mold.
10. Avoid using cleaning products that are not specifically designed for mold.

Clean Up Before Rebuilding

To prevent mold growth, it is important to clean your home before rebuilding. This includes:

1. Removing all wet materials from your home, such as carpets and fabrics.
2. Discarding all damaged materials, such as drywall and insulation.
3. Removing all moisture sources, such as water heaters and cooling systems.
4. Disinfecting all surfaces, such as windows and doors.
5. Cleaning all air ducts and vents.

Avoid Reusing Damaged Items

It is important to avoid using damaged items, such as carpet and fabrics, that have been exposed to water. These items can harbor mold and cause further damage to your home. It is important to:

1. Discard all damaged items, such as carpets and fabrics.
2. Avoid using damaged items, such as carpets and fabrics.
