

Key Priorities

IAEM Alberta Region will align with IAEM Canada’s three goals. IAEM Canada will concentrate efforts over the next three years on the following three areas:

Goal 1 – Influence positive changes to legislation and policy impacting the emergency management (EM) profession

Goal 2 – Increase profile of IAEM Canada and increase partner engagement within the profession

Goal 3 – Create new and enhance existing member opportunities and benefits

Goal # 1

Support Alberta’s voice at the IAEM Canadian Council ➤ President Tom Watts to attend monthly meetings	
Promote IAEM membership across the province of Alberta ➤ Monthly President emails to Alberta members ➤ Attendance at related seminars, conferences and meetings	

Goal #2

Promote IAEM in Alberta with internal and external Stakeholders ➤ Participate in AEMA Summit with Booth -2015,2016, 2017, 2018 ➤ Support June IAEM Conference in Calgary 2018	
Gain endorsements of industry ➤ Meeting with Canadian Association of Petroleum Producers	
Engage and build relationship with Alberta Emergency Management Agency (AEMA) ➤ AEMA to assign a representative to attend AB monthly meetings	

Goal #3

Host two networking type sessions per year for Alberta ➤ 2016 session deferred due to Fort McMurray Fire Response and Recovery and funding ➤ Spring 2017 call in session with Phil Jewel on CEM overview	
Lead a professional development session each year ➤ 2016 session deferred due to Fort McMurray Fire Response and Recovery and funding ➤ Potential CEM prep and exam June 2018	
Recruit within Alberta IAEM members for board succession planning	

NOTE:

Approved at the April 13th, 2018 Alberta IAEM board meeting
