
Tim McDermott

Tim is a graduate of Royal Roads University Master of Disaster and Emergency Management program, and an emergency management, crisis response, and business continuity consultant.

Prior to his retirement from the Canadian Armed Forces in 2015 after 35 years' service; Tim was the Operations Planning Officer at Joint Task Force Atlantic Headquarters; the Senior Staff Officer Submarine Escape and Rescue at Maritime Forces Atlantic Headquarters; and he has held a variety of sea going operational appointments and positions.

Tim was a volunteer firefighter and Medical First Responder in his community from 2004-2014 and a member of the RCMP Police Advisory Board for East Hants. Currently, Tim volunteers with Humanity First Canada and Team Rubicon, as a Disaster Response Team member.
