INVESTING IN THE FUTURE of Emergency Management

What is the IAEM Scholarship Program?

The International Association of Emergency Managers Scholarship Program was established to nurture, promote and develop disaster preparedness and resiliency by furthering the education of full-time students studying the field of emergency management around the world.

What is the purpose of the program?

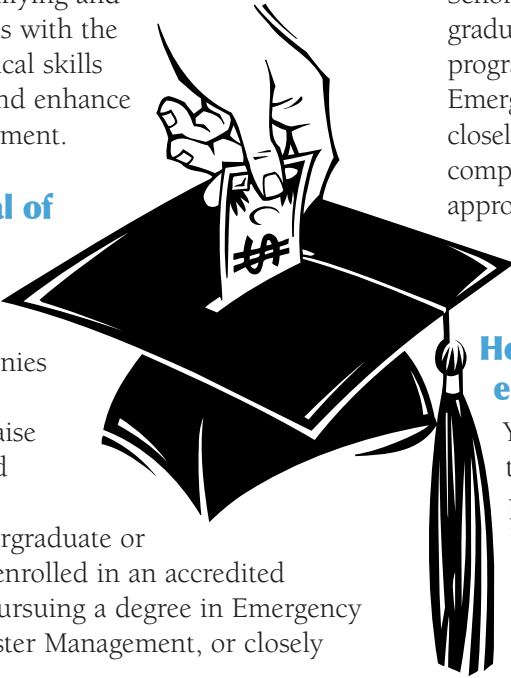

The purpose of the program is to assist the profession by identifying and developing students with the intellect and technical skills that can advance and enhance emergency management.

What is the goal of the program?

Through donations from individuals, companies and organizations, IAEM's goal is to raise \$1,000,000 to fund scholarship awards worldwide to undergraduate or graduate students enrolled in an accredited college program, pursuing a degree in Emergency Management, Disaster Management, or closely related field.

Why not just fund research?

The emergency management profession's greatest future asset is people of high-level intellect and commitment. The IAEM Scholarship Program seeks to identify, secure and encourage the commitment of these invaluable human resources of the future, by providing assistance through scholarship awards.

Where will scholarship recipients work?

They may work for your local community. The International Association of Emergency Managers works with post-secondary educators to identify potential scholarship recipients and promotes the employment of qualified professional emergency managers.

Who will receive IAEM scholarships?

Scholarships will be awarded by the IAEM Scholarship Commission to undergraduate or graduate students enrolled in an accredited college program in any country pursuing a degree in Emergency Management, Disaster Management, or closely related field. Scholarship applicants will complete an application form for review and approval. All applicants will be required to briefly write of their professional aspirations. This is a competitive process.

How will my contribution help the emergency management profession?

Your donation will help to fund scholarships through interest monies drawn from a principal fund of donations. Ultimately, you will be actively contributing to the profession's ability to better prepare for emergencies in the future.

Is my contribution tax deductible?

Your donation to the IAEM Scholarship Program may be deductible within your national taxation structure. Outside the United States, please contact your local IAEM Council for information on its tax status. In the United States, your donation to the IAEM Scholarship Program is tax deductible as a charitable contribution to the extent permitted by law. IAEM is recognized by the Internal Revenue Service as a public charity under Section 501(c)(3) of the IRS Tax Code, IAEM Federal ID #31-6050147.
