

IAEM-USA Region 9 Monthly Report – May 2016
Submitted by Carolyn J. Harshman, CEM
IAEM-USA Region 9 President

1. Conducted first Region 9 Executive Board teleconference with the Vice President and Past President. Discussed the CEM Overview & Mentoring Workshop that's been in development for several months. The first event is planned to occur on June 13, 2016 with County of Santa Barbara serving as host.
2. Continued development of an all-day CEM Overview and Mentoring Workshop for delivery at state emergency service association conferences and other regional gatherings. Communications with ESA representatives, requesting agencies, and Chair of the CEM Commission. First ESA event will be in October 2016 during the pre-conference activities for the California Emergency Services Association annual conference in San Diego.
3. Answered communications about members seeking jobs and networking.
