

IAEM-USA Region 9 Monthly Report – September 2016
Submitted by Carolyn J. Harshman, CEM
IAEM-USA Region 9 President

1. Finalizing presentations, booth arrangements, and sponsor details surrounding the day-long AEM/CEM Exam, Overview & Mentoring Workshop for delivery at the California Emergency Services Association annual conference. The day-long event will take place on October 4th during pre-conference activities. Region 9 President Carolyn Harshman will proctor the AEM/CEM Exam as well as present the Overview. CEM Commissioner Valerie Lucus-McEwen will lead the Mentoring Workshop utilizing a pre-populated sample application or a real application from the audience. Region 9 is a sponsor for the conference which includes marketing to attendees, a vendor booth, and an opportunity to make a 30-minute presentation during the Vendor Presentation Track of the conference. The announcement of the day-long event is being advertised by CESA through their website while IAEM has posting the Exam opportunity on the CEM website. Additionally, the Region's promotional flyer was distributed via the IAEM Region 9 List Serve. California members of IAEM will be solicited to assist with staffing the booth along with Ms. Harshman.
2. Participated in monthly USA Board Meeting.
3. Provided assistance as Board Liaison to Membership & Marketing Committee.
4. Answered communications about members seeking jobs, networking, and questions about the upcoming AEM/CEM Exam, Overview, & Mentoring Workshop.
5. Huge thanks to IAEM Headquarters for all their assistance in supporting the pilot delivery – special thanks to Sharon Kelly and Jennifer Walsh.
