

**P.B. (Pascal) Rodier MStJ, MA, CEM, SAS**  
**Bio – 27.05.2021**

Name: P.B. (Pascal) Rodier MStJ, MA, CEM, SAS

Bio:

As the IAEM Canada Council, Atlantic Region, President, Pascal brings with him experience from over 30 years in public safety and emergency management. After retiring from leadership roles in Emergency Medical Services, he joined Nova Scotia Health's Emergency Preparedness team and is currently the Manager of Projects and Planning.

He has extensive experiences leading teams on large-scale incidents and events; commanding responses to multiple airplane crashes, multi-casualty incidents, EMS support for fire, Hazmat, CBRNE, civil unrest incidents, and large scale civic celebrations (including the 2010 Winter Olympics and Paralympics). Pascal was the Director of the Emergency Measures Office in Quispamsis NB during the 2018 Freshet Floods and he focused on the COVID-19 healthcare response.

Pascal is a Certified Emergency Manager with the International Association of Emergency Managers as well as a Situation Awareness Specialist with the Arcuri Group. He has an extensive education in public safety and emergency management which include a Master of Arts in leadership (Health), from Royal Roads University, program certifications from the Emergency Management and Emergency Exercise Design Programs at the Justice Institute of British Columbia as well as multiple certificates from FEMA. He is currently a Lead Instructor in the Incident Command System. He is also a member of the IAEM-Canada Council Partnership Engagement Committee.

His many awards include, being a Member of the Most Venerable Order of the Hospital of St. John of Jerusalem, was awarded the Richmond Chamber of Commerce 911 Award for Ambulance Paramedic of the Year, presented with the Governor General's Emergency Medical Services Exemplary Service Medal, Queen's Diamond Jubilee Medal and the Governor General's Emergency Medical Services Exemplary Service Medal 30 Year Bar.

An SME on responder interoperability and Leadership Pascal has consulted and authored documents on a number of projects with organizations and governments at all levels. His successes have included implementation of legacy projects within public safety agencies, governments, communities and organizations across Canada. He has been a presenter and an Emcee at a number of public events, courses, workshops and national and international conferences.
