Contact **John Osborne** (john@iaem.com) and **Clay Tyeryar** (ctyeryar@iaem.com) to discuss sponsorship opportunities.

Driving Partner of the Day — For one day during the conference, the Driving Partner of the Day will help begin general sessions on that day and include a 3-5-minute overview of their company (or video, or infomercial). Conference leadership will introduce the actual session speakers, and may share an emceeing role with the sponsor. This package also includes enhanced logo placement during key conference sessions, leads for all opt-in attendees, and many opportunities to raise your brand awareness built into the event's design.

Partner Presentation "Sponsor Solution Session" — Concurrent 30-minute sponsor run conference session. Sponsor selects the session title (pending IAEM approval). This is your time to highlight a new project, premier service, or unique solutions that only you can provide.

Breakout Session — Select a breakout session to sponsor. Signage with sponsor logo will be on display in the room.

Pre- or Post-Conference E-Blast — One e-blast sent to "opted-in" registered attendees of the event. The sponsor supplies an HTML file (subject to IAEM approval) and IAEM will send it on the sponsor's behalf.

Social Media Shout-Out — Recognition of sponsor on IAEM's social media channels in the days prior to the conference.

Exhibit Space — Powerhouse and Driving Partner sponsorship levels include a 10'x10' booth space. Exhibit space can be added to the Trendsetter and Supporter level sponsorships for an upcharge.
